

# GRANDPARENT *interview*

Ask your grandparents these questions.

What is a favorite memory you have with your mom and dad?

What activities did you do for fun with your friends?

What kind of clothes did you wear growing up?

What was a toy you really loved or really wanted?

What was a typical day like for your schooling?

What type of music was popular when you were a kid?  
Did you have a favorite song?

What news stories do you remember being talked about when you were a kid?

What is something you miss from when you were growing up?

What is an important lesson you wish you had learned sooner?

How has faith played a part in your life?
