

# WHAT'S YOUR HOMESCHOOL FIT?

**START HERE!**  
**DO YOU WANT THE SUPPORT OF A DISTANCE LEARNING PROGRAM?**

**Yes.**

*The backup of a full staff of teachers and advisors sounds good right about now.*

*(Well...that was easy.)*

LET'S DO THIS.  
**CALL 888-982-8052 TO GET STARTED**  
OR FLIP TO PAGE 10 TO LEARN MORE

**No thanks.**

*Just point me to the curriculum.*

**DO YOU WANT PRINT OR DIGITAL CURRICULUM?**

**Print.**

*I need to be able to hold it in my hands. (Ever try to make a paper airplane out of a website? It's tough.)*

**DO YOU WANT A TEACHER-LED CURRICULUM?**

**Digital.**

*Save a tree.*

**Nah.**

*I like the idea of my child being able to work independently at his own pace.*

**Yep.**

*I want to actively teach the course material and lessons.*

**DO YOU WANT TO CREATE YOUR OWN UNIT STUDIES?**

**Of course.**

*Online schoolwork that I can access from anywhere? Yes, please!*

**DO YOU HAVE WEB ACCESS?**

**Nope.**

*But I have a CD-ROM drive.*

**No.**

*I like the idea of teaching with lessons planned out for me.*

**Exactly.**

*I want the freedom to cover topics in different ways.*

Compatible with Windows® and Macintosh®, Monarch is an online curriculum for grades 3-12. Filled with interactive games and movie clips, as well as automatic grading and recordkeeping, Monarch offers single-student subscriptions that run for 18 months, five core subjects, and over 35 electives.

Switched-On Schoolhouse (SOS) is a computer-based curriculum for grades 3-12. Available on CD-ROM for Windows® operating systems, SOS offers dynamic lessons packed with multimedia elements, automatic grading and recordkeeping, five core subjects, and over 35 electives.

AOP's first and most traditional curriculum, LIFE-PAC is a print curriculum for grades K-12. Organized into self-directed units called worktexts, LIFE-PAC offers integrated lesson plans, a mastery-based format in which students master concepts before moving to new content, five core subjects, and over 15 electives.

Horizons consists of teacher-directed workbooks based on the spiral learning process of introduction, review, and reinforcement. Horizons offers courses in Preschool, Math (K-8), Phonics & Reading (K-3), Penmanship (1-5), Spelling and Vocabulary (1-3), Health (K-8), and Physical Education (PreK-12).

The Weaver Curriculum is a unit-based curriculum for grades PreK-12. Weaver offers a flexible, topical approach to simultaneously teach students of multiple ages at once. This hands-on program features Old and New Testament lessons that weave Scripture through language arts, history, science, and more.
