CHRISTIAN ACADEMY™

What you learn transforms who you become.

Consider the possibilities for the future when you choose an academic path that combines rigorous coursework with a unique emphasis on faith. It's a different approach, and it happens at Ignite Christian Academy, where expectations are high and rewards are long-lasting.

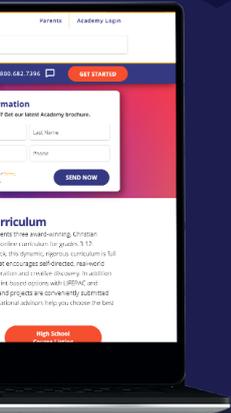

Here you belong to a community.

Our students graduate with more than just a diploma. Here, you belong to a community of students, faculty, and staff who are committed to your growth and purpose. No matter where you're headed, we'll equip you with the knowledge and experience necessary for you **to aspire, to become, to achieve.**

Make way.

A school with a stamp of excellence.

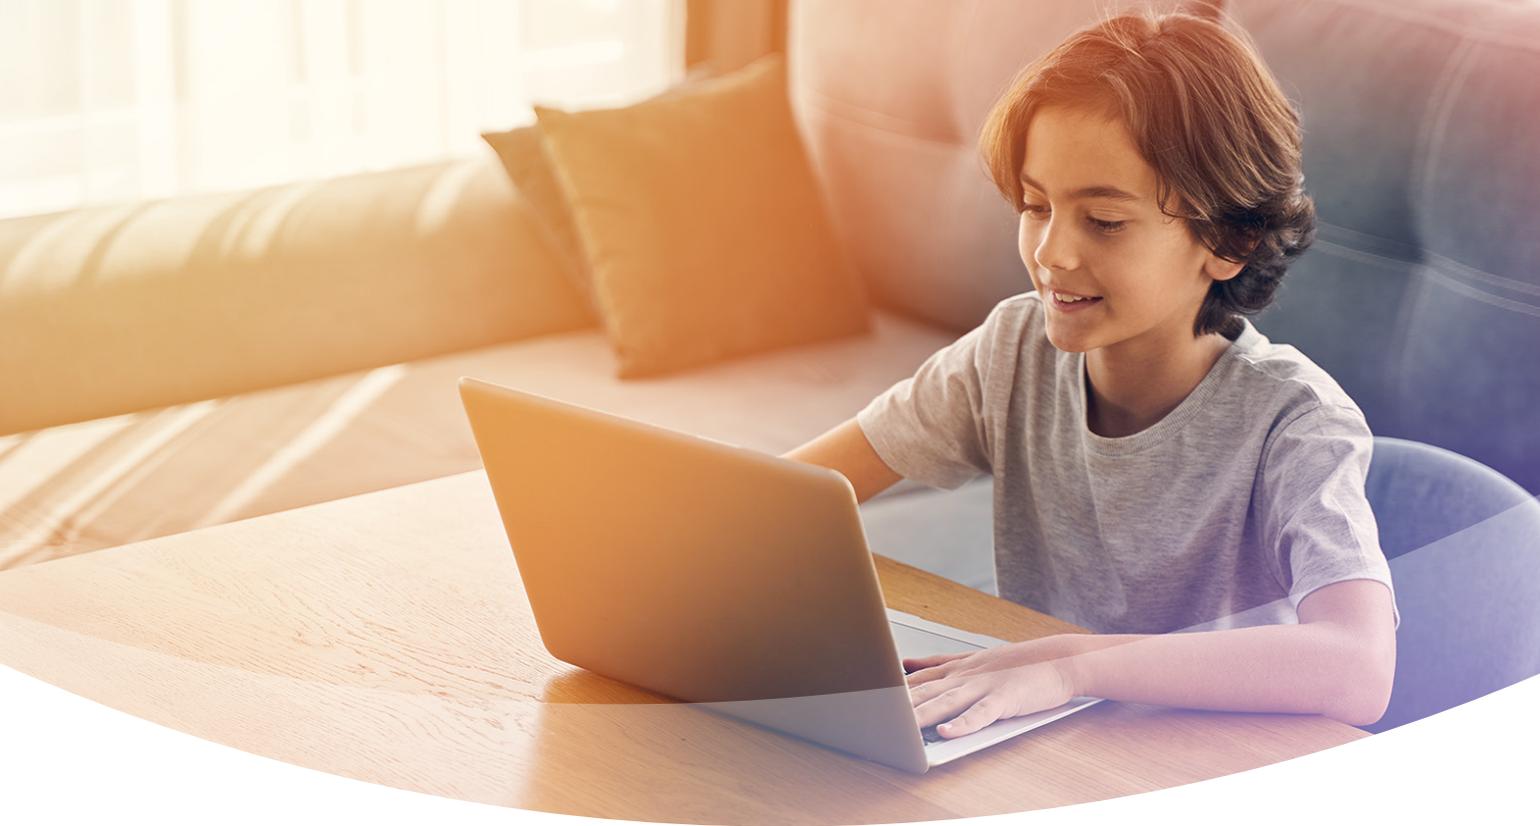

Meeting the highest standards in education, our academics equal or surpass those found in traditional schools. When applying for college admission, federal student aid, and scholarships, students enjoy a clear path to post-high school education with easily recognized credits and an accredited diploma.

“We took our son out of public school, and he is now doing his senior classes. **The curriculum is challenging** but a much better standard **to prepare him for college.**”

Studies that prepare hearts and minds.

Uniquely designed to provide a transformative education for students, our school places Christ at the center of our philosophy, purpose, and programs. Inspiring students to do well and do good, education has a higher purpose at Ignite Christian Academy.

Support that allows you to thrive.

Your personalized team of teachers, advisors, and counselors is with you, **supporting you every step of the way.**

Pinpointing your current academic situation, we create **an individualized course of study** with the help of placement tests that center on what you really need to learn to graduate.

Exposing you to the bright minds in each field of study, **all teachers at Ignite Christian Academy have a degree or certification in the fields they teach** and offer one-on-one support. ICA teachers have an average of more than a decade of teaching experience.

Undivided attention from tutors. Infinite potential for students.

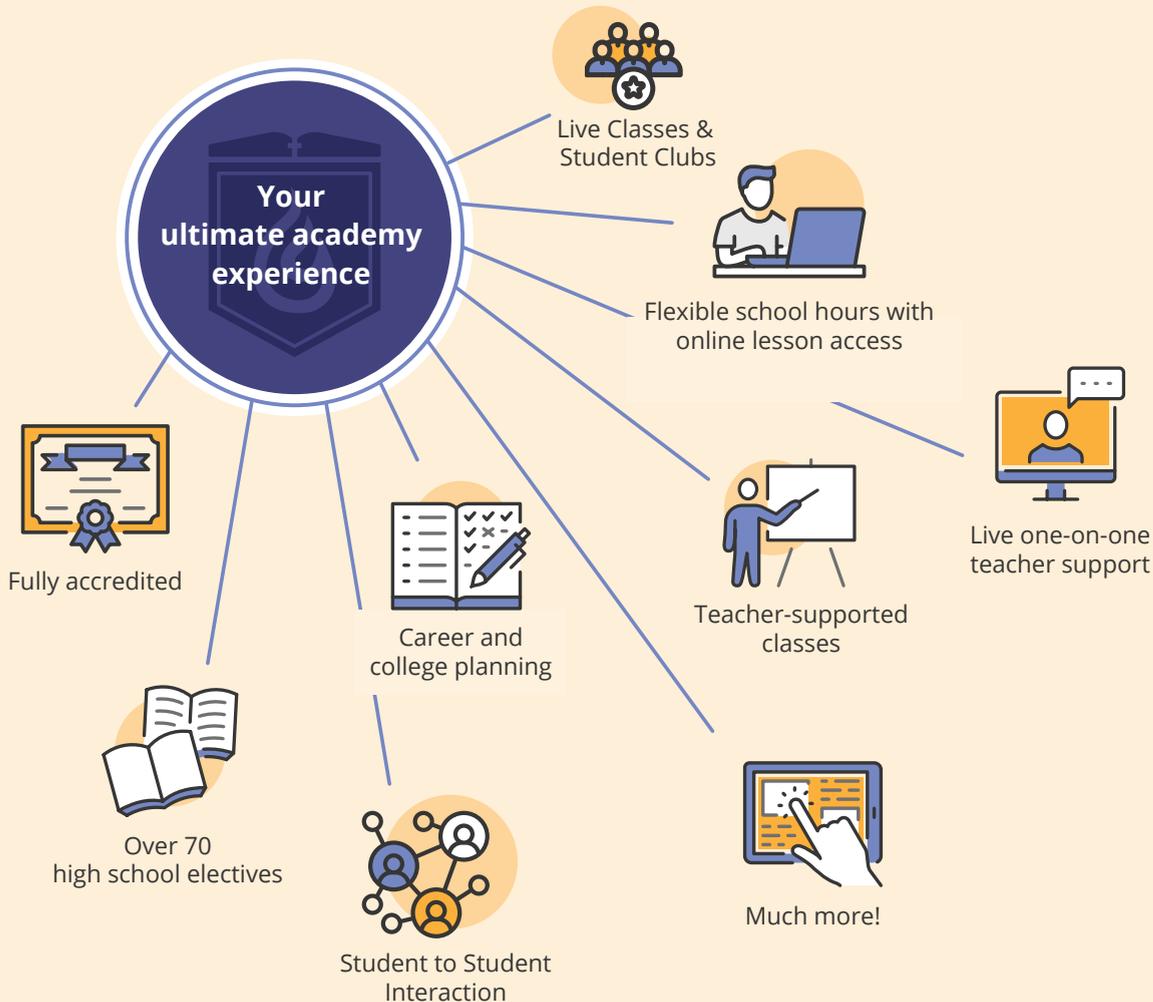

Connect with highly qualified expert tutors for one-on-one support in 300+ subjects whenever and wherever you need it the most.

Make your mark with an education that has no limits.

- Choose from full-time or individual course enrollment in **over 150 courses**.
- Enroll in **dual credit courses** and **earn high school and college credit simultaneously**.
- Enjoy open enrollment with **multiple start dates** each month.
- Learn at **your own pace**.
- Access **online curriculum anytime** and anywhere.

Where students don't just sit in a desk, they learn to stand out.

A private education within your reach.
