GOD IS EVERYWHERE

You will learn how you can find God in the world in this LIFEPAK®. You will learn about the beginning. You will find out how God planned for things to work together. You will read about someone from the Bible who didn't want to do God's will. You will be thinking about God's plan in everything you see when you have read this LIFEPAK.

Objectives

Read these objectives. They will tell what you will be able to do when you have finished this LIFEPAK®.

1. You will be able to tell what it means that God created the world.
2. You will be able to tell about the way God has created things to work together.
3. You will be able to say two Bible verses.
4. You will be able to tell how God's will is important in the lives of people.

New Words

These words will appear in **boldface** (darker print) the first time they are used.

create (cre ate). To make something that has not been made before.

creation (cre a tion). The act of creating.

eternal (e ter nal). Never ending.

Godhead (God head). The substance of God made up of the Father, Son, and Holy Spirit.

heaven (heav en). The sky.

invisible (in vis i ble). Cannot be seen.

polar bear (po lar bear). A large white bear of the Arctic regions.

pray. To talk to God.

rhinoceros (rhi noc er os). A large animal with a horn.

root. The part of the plant that grows down into the soil.

scold. To talk angrily.

sharp. Having a point.

snowflake (snow flake). A small piece of snow.

stem. The part of the plant that supports the leaves.

storm. A strong wind with thunder, lightning, and rain.

swallow. To take into the body through the mouth.

sunflower (sun flow er). A tall plant with large yellow flowers.

1. UNDERSTANDING GOD

We cannot see God. We can see what He has **created**. God created the things around us. We can learn about God. We can learn about God's great power and love.

Before the beginning of the world, God lived. He created the world. He still lives. He watches you. He is ready to help you each day.

Words to Study

create (cre ate). To make something that has not been made before.

heaven (heav en). The sky.

root. The part of the plant that grows down in the soil.

snowflake (snow flake). A small piece of snow.

stem. The part of the plant that supports the leaves.

Ask your teacher to say these words with you.

The Beginning

Everything but God had a beginning. The new year begins January 1. Spring begins March 21. God was before the beginning. God created everything. Some things He created first. Before He created them, they were not here.

In Genesis 1:1 it says, "In the beginning God created the heaven and the earth." In this LIFE PAC you will find out about the **heaven** and the earth that God created.

Answer these questions on the lines.

- 1.1** When is your birthday? _____
- 1.2** When did school begin this year? _____
- 1.3** When does the new year begin? _____
- 1.4** When does spring begin? _____

Everything that God made is good. All things work together in God's world. Things that work together are part of God's plan.

Things Working Together

Clouds and wind work together to make snow. The next time you see snow, look at the **snowflakes**.

You will see that each snowflake is different from the other snowflakes. Only God could have clouds and wind work together to make so many different shapes of snowflakes.

Think about snowflakes.

1.5

In the space below, make as many different shapes of snowflakes as you can. How hard is it for you to think of all those shapes? Now you know what a big job God had when He created His plan that makes all the different snowflakes.

God created the seeds and flowers, too. Look at a flower. The **stem** brings water from the **roots**. The leaves make food for the plant. The stem holds the flower up to the sun. Could you have made a flower that worked so well? God created the parts of flowers to work together.

Flowers are pretty. Besides being beautiful, they make the seeds. The seeds grow in the ground to make more flowers. God created this plan for seeds and flowers for His world.

Write *yes* or *no* answers on the lines.

- 1.6** Can you make a real flower? _____
- 1.7** Can you make flowers be the color you want? _____
- 1.8** Can you make a living flower without using God's plan?

- 1.9** Can you use God's flowers to fill a basket? _____
- 1.10** Can you water a plant and watch it grow? _____
- 1.11** Can you create something from nothing? _____
- 1.12** Can you make something from something God created?

- 1.13** Does the earth have things that work together in it?

Look up in the sky. You can see the sun. The sun gives heat and light to the earth. The plan that God created keeps the earth going around the sun in just the right way.

At night, you can see the moon and the stars. The moon gives light at night. The moon pulls on the seas and makes the water move, too. The stars help people to find their way at night.

Answer *yes* or *no* for these questions.

1.14 Can you make starlight in the sky at night? _____

1.15 Can people make a light with something God created? _____

1.16 Can you pull the water in the sea as the moon does? _____

1.17 Do people who fly planes at night use the stars to find their way? _____

1.18 Do people on ships use the stars to find their way at night? _____

1.19 Do stars help people? _____

1.20 Does the moon help people? _____
