God Gave the Need to Love

God made the world, the plants, and the animals. He made them in that order. Then, He made man. Do you remember that the first man's name was Adam? God gave Adam a beautiful garden in which to live. He told Adam to take care of the plants and animals in the garden.

Adam walked in the garden, taking care of it and talking with God. God loved Adam, but God is not like man. God knew that Adam needed a person like himself to be his friend. Animals are different from people. They cannot think or talk with someone like another person can. God said, "It is not good for man to be alone. I will make a helper for him."

| God made Eve so that Adam would have a friend.

God put Adam into a special sleep. Then, he took a rib from Adam's side and made it into the very first woman. When Adam woke up, he was very happy.

"I am so happy that God gave me a wife," Adam said. "My wife, Eve, will be my friend and helper. We can learn about love from God because He loves us so much. God made us to live together and have children. We will be perfect friends because we will love and help one another always."

God planned for your mother and father to live together with a special close love. You were born because of that special love. Your father and mother promised to love each other and live together as long as they both should live.

In Ephesians 5:25, God says, “Husbands, love your wives. . . .” A husband must love his wife so much that he will take care of her and protect her. He should love her so much that he would even die to protect her.

Ephesians 5:22 tells a wife to **respect** her husband. A wife respects her husband when she

honors him and helps him. A wife does not show her husband respect if she always complains about him. Proverbs 31:11-12 teaches that a good wife can be trusted by her husband. She will never do evil to him.

| Jonathan was sad when King Saul tried to kill David.

God planned for the world to be filled with people. God told people to be neighbors and love one another. God did not tell just husbands and wives to love one another. Jesus said, "Love thy neighbor as thyself." This verse means that you should love other people as much as you love yourself. Read this story about David and Jonathan.

"My name is Jonathan. My father is King Saul. When my father dies, I should be king because the oldest son always takes his father's place as king. This time God has chosen David to be king when my father dies.

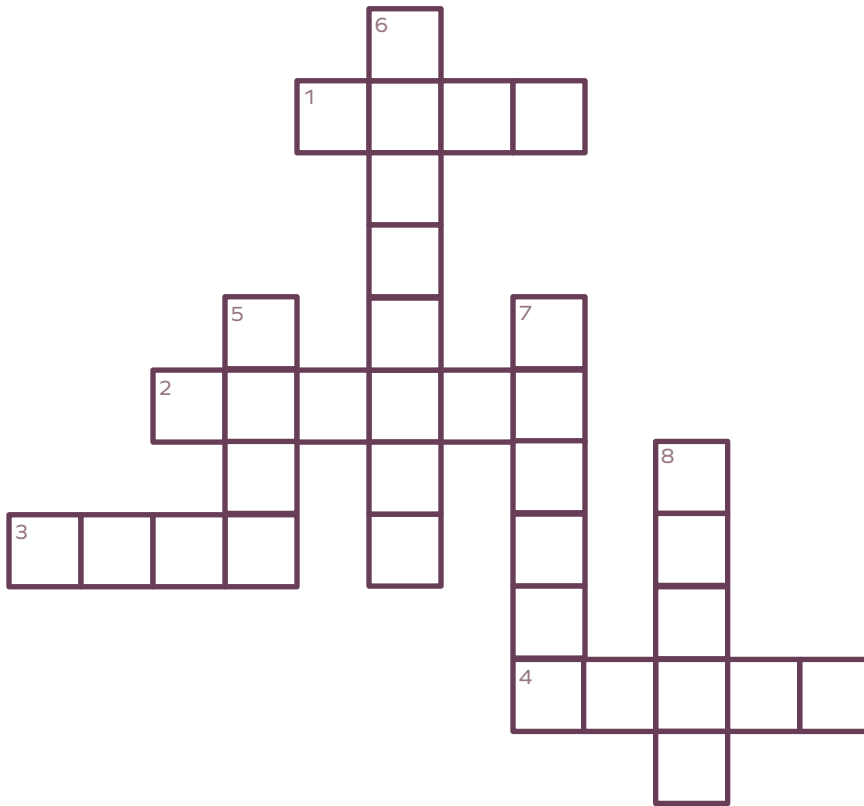

My father hates David. He has tried more than once to kill David. My father's actions make me very sad. God has put a love in my heart for David. I will always do what I can to protect him. David loves God, as I do. David loves me, and I know that David will always be my friend. God will not let my father kill David because some day David will be king. He will be a good king because he is brave and he loves God."

David and Jonathan could love one another because they loved God. You can have the right kind of love for people only when you love God.
