GOD'S KNOWLEDGE

How old are you now? How much have you learned in your lifetime? Maybe you know more than you realize for you do not only learn things in school. You have also learned many things in your home and in the world around you.

How much can a person learn in a lifetime? Some people know many things. People who have read a great number of books and been to school for years have **gained** much **knowledge**. No one, however, knows all that they can know. The wisest people always want to know more.

Only God knows everything. God's knowledge covers everything. God's knowledge is above all other knowledge. All knowledge comes from God.

As you study this LIFEPAC®, you will think about God's knowledge. You will begin to understand how God's **marvelous** knowledge helps you live as a child of God.

Objectives

Read these objectives. The objectives tell you what you will be able to do when you have successfully completed this LIFEPAC. Each section will list according to the numbers below what objectives will be met in that section. When you have finished this LIFEPAC, you should be able to:

The World God Created

Read Psalm 19:1 and Romans 1:20.

God **existed** before the world began. God used His knowledge to create the world.

God carefully planned the world we live in. The world did not just happen. God put everything in the right place. Many things we do need to be planned, too. Special things require special planning.

Once a boy planted a garden in his backyard. In his garden the boy planned to grow radishes, carrots, and lettuce. Before the boy planted his vegetable seeds, he dug the rows in the shape of his own name. In these rows the boy sowed his radish, carrot, and lettuce seeds.

By and by, the seeds began to grow. The boy called a friend to see his garden.

"See, my name is growing in the garden," said the boy.

The friend was very **impressed** and asked, "Did your name just happen to grow by itself in the garden?"

"Oh, no. I had to plant the seeds to make the letters of my name. My name did not just happen. I planned it that way," replied the boy.

With His knowledge, God planned and created the world in which we live. We know that God has this knowledge, and that He can do anything. God made the world, and God put everything in its right place.

Complete this activity. Have you ever seen footprints left in the wet ground? The footprints tell you someone was there before you. God left "footprints" to show you He created the world.

- 1.1** Think of some "footprints", things God created and write them on the footprints below.

Read Genesis 1:1-31; 2:1-3. These verses tell you that God created our world. The verses tell you the order in which the different parts of the world were created.

Write what happened first on the first line, what happened next on the second line, and so on. Continue until you have put all seven sentences in the correct time order. You may use your Bible to help you.

God created man in His own **image**.

God created day and night.

God gathered the waters together to make dry land.

God made plant life.

God rested from His work.

God made the sun, moon, and the stars.

God made the **firmament**.

God made the birds and animals and blessed them.

1.3

Answer the question.

How is God's knowledge different from man's knowledge?

Read the following poem in which a famous poet expressed some of his feelings and thoughts about God.

When The Stars Are Gone

by Robert Louis Stevenson

*The stars shine over the mountains,
the stars shine over the sea,
The stars look up to the mighty God,
the stars look down on me;
The stars shall last for a million years
a million years and a day,
But God and I will live and love
when the stars have passed away.*

Answer the following questions.

1.9 Which of the seven verses you read with your friend tells you that God created all things?

Write the verse and where it is found in the Bible.

God's Love to People

Read Matthew 6:25-34.

God loves you. You know that God loves you because He made you. You know the God loves you when you realize He understands you and cares for you. You know that God loves you because He uses His knowledge to help you.

God made you. After God had made the earth, God took dust from the earth. God formed the dust into a man's body. Then God breathed His own breath into the man. God had made the first living person.

When God made men and women and children, He wanted them to live in families that would love and care for each other. God gave you people to love you.

God understands you and cares for you. One day Jesus was talking to some people. Jesus wanted the people to know just how much God loves them. Jesus wanted the people to know that God would take care of them. Jesus told the people that God is aware of all their needs. You can read what Jesus said in Matthew 6:25 - 34. God will supply everything that is needed in your life. God will take care of you because He loves you.

God uses His Knowledge to help you. Do you sometimes think that you must have more friends to be happy? Would more hours to play, better grades in school, or more exciting **activities** make you happy? God knows if you need these things. God knows exactly what you need. God's knowledge covers all parts of your life. When you read the story in Matthew, you realize how much wiser and better God's knowledge is than human knowledge. Human knowledge might guide a person to want food, clothing, or money for happiness; but God says to first seek **righteousness**. Jesus said (Matthew 6:33), "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added into you."

Complete this activity.

1.10 Name three things that prove to you that God loves you.
