AOP's Philosophy of Education

Bible-based: We believe that the Word of God is the standard and foundation for truth. Our educational resources are consistent with what is written in the Bible.

Cognitive Reasoning: Questions in LIFEPAAC develop a student's cognitive reasoning. We go beyond rote memory questions (true/false, multiple choice, and fill-in-the-blank) and ask questions that require analytical skills (short answers, short essays, and experiments).

Mastery Learning: We believe every student should begin a subject at his or her present "learning level or skill," not where someone else says or hopes the student should be. This is usually accomplished through diagnostic testing.

Integrated Subject Material: We believe all subject material should be integrated to help a student see that life is not compartmentalized. Mathematical skills are necessary in science, scientific research is rich in historical data, and language arts is valuable in communicating God's Word, history, and science. In LIFEPAAC, God's truth is integrated in the subjects of Bible, history and geography, language arts, math, and science.

Personalized Instruction: We believe that a student excels in learning when the teacher is involved. Our curriculum is not a self-study course. The questions and content demand personal instruction and input. It is the teacher's responsibility and blessing to personally instruct students.

LIFEPAC® Curriculum

Time-tested: Since 1977, AOP® has provided high-quality Christian curriculum to families and Christian schools worldwide. The award-winning LIFEPAC curriculum teaches students in grades K-12 the subjects of Bible, history and geography, language arts, math, and science, as well as a variety of electives.

Flexible: Each LIFEPAC subject is divided into small worktext units that build confidence and provide a satisfying sense of accomplishment upon completion. Students work independently to master material before advancing to new concepts.

Teacher-friendly: Integrated lesson plans free parents to tutor, grade, and encourage students without having to create the educational design. Each course also comes with teacher support materials, including practical tips, suggested activities, and answer keys.

Economical: To assist with correct placement, LIFEPAC placement tests are available for all five main subjects. Specific LIFEPACs are recommended for remediation in areas where learning gaps are indicated.

LIFEPAC[®] Electives

Enriching Electives: Providing a more complete academic experience, LIFEPAC electives broaden the knowledge base of students and offer an opportunity to delve deeper into topics they display an interest in exploring.

Real-world Skills: LIFEPAC electives enhance learning and equip students with knowledge and skills they can use in the world around them. Biblical concepts are integrated throughout all subjects, and each LIFEPAC has challenging lessons and questions that develop critical thinking skills.

Course List:

- Accounting
- Art
- Consumer Math
- Family and Consumer Science
- Foundations for Living, Studies in the Christian Worldview[®]
- Spanish I
- Spanish II
- American Literature
- British Literature
- Civics
- Speech: Essentials of Communication
- Health Quest
- High School Health
- LIFEPAC Select

Accounting
(Grades 7-12, 2 Semesters)

Art
(Grades 7-12, 2 Semesters)

Consumer Math
(Grades 11-12, 2 Semesters)

ACCOUNTING OVERVIEW <ul style="list-style-type: none"> • Nature of bookkeeping and accounting • Accounting concepts and terms • Starting a proprietorship • The accounting equation • Changes in the accounting equation 	CONCEPTS IN DESIGN <ul style="list-style-type: none"> • The design process • Principles of design and composition 	PERSONAL FINANCIAL PLANNING <ul style="list-style-type: none"> • Financial literacy • Goal setting • Career planning and research • Sources of income • Paychecks and taxes 	Unit 1
STARTING AN ACCOUNTING SYSTEM <ul style="list-style-type: none"> • Accounting concepts • Introduction to the balance sheet • Introduction to the general journal • Introduction to the ledger account • Prepare a chart of accounts 	PRINCIPLES OF COLOR <ul style="list-style-type: none"> • The color wheel • Color phenomenon • The meaning of color 	MONEY MANAGEMENT <ul style="list-style-type: none"> • Creating a budget • Saving and investing • Spending wisely • Tracking spending • Money management tools 	Unit 2
ANALYZING AND JOURNALIZING TRANSACTIONS <ul style="list-style-type: none"> • Using the T account • Accounts and their balances • Analyzing a business transaction • Journal entries 	DESIGN PERSONALITY <ul style="list-style-type: none"> • Design personality • Idea generation 	FINANCIAL INSTITUTIONS <ul style="list-style-type: none"> • Bank services, tools, and resources • Checking accounts • Online banking • Financial risks and management 	Unit 3
POSTING TO THE GENERAL LEDGER <ul style="list-style-type: none"> • What is a journal? • Why journalize? • Columnar journal • Posting 	PERSPECTIVE <ul style="list-style-type: none"> • History • Understanding perspective • Equal division of space 	SAVING AND INVESTING <ul style="list-style-type: none"> • Savings accounts • Special savings accounts • Investing vs. saving • Investment products 	Unit 4
PREPARING THE WORKSHEET <ul style="list-style-type: none"> • Accounting concepts and terms • Worksheets • Introduction to adjustments • Financial statements on worksheets • Review worksheet procedures 	FIGURE DRAWING <ul style="list-style-type: none"> • The head • Shading • The body 	CONSUMER CREDIT BASICS <ul style="list-style-type: none"> • Credit cards • Finance charges • Credit scores • Using credit responsibly • Consequences and correcting excessive debt 	Unit 5
FINANCIAL STATEMENTS <ul style="list-style-type: none"> • Financial statements for a proprietorship • Income statements • Equity statements • Balance sheets 	SCULPTURE <ul style="list-style-type: none"> • Three forms of sculpture • Four methods of sculpture • Modeling, casting, and carving 	CONSUMER LENDING <ul style="list-style-type: none"> • Overview of Loans • Mortgage loans and payments • Other types of loans • Financial aid for education • Renting vs. buying 	Unit 6
