UNIT 4: ECONOMY	2
UNIT 5: CITIZENSHIP	2

Colorado State History Course Overview

Colorado State History helps students develop an understanding of and appreciation for God's activity as seen in the record of man and his relationships. The course uses a topical approach to survey the state's geography, history, culture, government, economy, and citizenship.

Upon completion of the course, students should be able to do the following:

- describe the geography of the state, including major landforms and waterways
- identify significant individuals from the state, as well as their contributions to society
- understand whether and how the state participated in the Civil War
- understand the three main branches of the state government and the roles of each branch
- identify current political leaders from the state
- identify significant industries with a presence in the state
- understand how business and industry, tourism, and culture all contribute to the economic strength of the state
- understand the Christian heritage of the state and be able to identify religious groups who have had a significant influence in the state
- understand the rights and responsibilities of citizenship in the state

Additionally, students will gain practice in report-writing, covering topics like state capitals, important state figures, trips through different states, Christian heritage in the states, and more.
