MINNESOTA STATE HISTORY COURSE OVERVIEW.....	1
UNIT 1: MINNESOTA STATE HISTORY	1

Minnesota State History Course Overview

Minnesota State History helps students develop an understanding of and appreciation for God's activity as seen in the record of man and his relationships. The course uses a topical approach to survey the state's geography, history, culture, government, economy, and citizenship. The one-semester, one-unit course format is designed to give students extended practice in research and report-writing.

Upon completion of the course, students should be able to do the following:

- describe the geography of the state, including major landforms and waterways
- explain the governor's role and responsibilities in passing laws
- understand whether and how the state participated in the Civil War
- understand the Christian heritage of the state and be able to identify religious groups who have had a significant influence in the state
- identify significant individuals from the state, as well as their contributions to society
- understand how business and industry, tourism, and culture all contribute to the economic strength of the state
- understand the rights and responsibilities of citizenship in the state
