Through our Alliance Program, you can expand your school's staff and services without hiring additional personnel. AOA Alliance allows students to be fully enrolled at your Christian school while simultaneously taking courses through Alpha Omega Academy.

CHRISTIAN WORLDVIEW

Our philosophy is simple. At Alpha Omega Academy, our staff and faculty focus on educating the whole student, including mind and spirit. We embrace each student as a gift from the Creator and are committed to our mission of educating, inspiring, and changing lives.

TOP ACCREDITATION

AOA is accredited through AdvancED, the largest accrediting body in the world representing 34,000 schools across the United States and 70 other nations.

QUALIFIED TEACHERS AND SUPPORT STAFF

Our experienced, enthusiastic educators specialize in technology-driven distance learning. We encourage student achievement through messaging, online classrooms, and one-on-one phone conversations. We also provide advisors, counselors, and a technical support team to each partner school to assist you every step of the way.

STUDENT BENEFITS

- Generous student-teacher interaction via messaging, phone, and online classes with real-time instruction
- Full or part-time enrollment with frequent start days throughout the year
- Flexible education for students with employment or medical needs
- Ideal program for at-risk students
- Local school diplomas and opportunities to participate in sports and extracurricular activities
- Christian online curriculum that includes a wide variety of high school electives

INDIVIDUALIZED LEARNING WITH IGNITIA ONLINE CURRICULUM

Ignitia, the exclusive online curriculum at Alpha Omega Academy, allows every student to learn at the ideal pace and take ownership of his/her success, providing an individualized solution for general, elective, and CTE courses. When paired with our teachers and support staff, there's no end to what students can achieve.
