

# Horizons

**HELP YOUR YOUNGEST LEARNERS** build academic, social, and spiritual foundations with Horizons Preschool curriculum from Alpha Omega Publications. Offering programs for three and four-year-olds, Horizons Preschool prepares students for kindergarten, while teaching them to know that they are God’s children.

## PRESCHOOL FOR THREE’S

Precisely designed to shape cognitive development, pre-reading and numeracy skills, and school readiness, Horizons Preschool for Three’s helps three-year-olds know that God made them and gave them unique gifts. Featuring 40 weeks of lessons and activities, this program includes a Bible story reader with original, hand-painted illustrations that bring the Bible to life for young children.

## PRESCHOOL

Introduce children ages 4-5 to formal learning with 180 lessons in math, phonics, science, social studies, language arts, and more! Each colorful lesson flows from a biblical theme and incorporates scholastic subjects to help children form a solid academic foundation rooted in Christian values. This flexible program also includes multimedia that coordinates with lesson themes.
